

Are You Ready for the Workforce of the Future?

What should leaders of local government who want to build their 21st-century workforce do? Discard the old models in favor of proven approaches to create the Workforce of Tomorrow including realizing it is not the sole responsibility of the Human Resources Department to attract great talent, but instead the entire organization.

WORKFORCE OF THE FUTURE WORKSHOP

Learn the eight-step approach to becoming a talent-centric organization and translate the headwinds of change into a tailwind. Patrick Ibarra of the Mejorando Group, one of the leading experts on creating and implementing effective and Talent Management and Succession Planning programs for local governments, will lead an interactive workshop, which will include progressive and practical strategies and tools to attract, retain, and optimize talent. Attendees will walk away with a plan for next steps to move their organization forward!
